Short Title: Acceptance of the FY19 Edward Byrne Memorial Justice Assistance Grant (JAG) Program award in the amount of \$11,280 - **B LAIRD**

Category: Municipal Order

Staff Work By: Joseph Hayes, Ty Wilson

Presentation By: Brian Laird

Background Information:

The Edward Byrne Memorial Justice Accountability Grant (JAG) is a federal formula grant funded through the U.S. Department of Justice. The city received notice of eligibility for the amount of \$11,280 in September of 2019, and was authorized by Municipal Order 2269 to apply for the funding for the Paducah Police Department for the purchase of five (5) hand held radios. The grant doesn't require a local match, but the estimated cost is around \$13,894 and the difference between available funds and the total cost will come from the department's general fund.

The application also required an Interlocal Agreement to be signed and approved by the City Commission and McCracken County Fiscal Court, ensuring neither entity has applied for federal funds for this project. The Interlocal Agreement will be sent to the Department for Local Government upon approval to accept this funding.

The Honorable Brandi Harless
City of Paducah
300 South 5th Street
Paducah, KY 42002-2267

Dear Mayor Harless:

Congratulations on your recent award! The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice (DOJ) has been delegated the responsibility for ensuring that recipients of federal financial assistance from the OJP, the Office of Community Oriented Policing Services (COPS), and the Office on Violence Against Women (OVW) are not engaged in discrimination prohibited by law. Several federal civil rights laws, such as Title VI of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972, require recipients of federal financial assistance to give assurances that they will comply with those laws. In addition to those civil rights laws, many grant program statutes contain nondiscrimination provisions that require compliance with them as a condition of receiving federal financial assistance. For a complete review of these civil rights laws and nondiscrimination requirements, in connection with OJP and other DOJ awards, see <https://ojp.gov/funding/Explore/LegalOverview/CivilRightsRequirements.htm>

Under the delegation of authority, the OCR investigates allegations of discrimination against recipients from individuals, entities, or groups. In addition, the OCR conducts limited compliance reviews and audits based on regulatory criteria. These reviews and audits permit the OCR to evaluate whether recipients of financial assistance from the Department are providing services in a non-discriminatory manner to their service population or have employment practices that meet equal-opportunity standards.

If you are a recipient of grant awards under the Omnibus Crime Control and Safe Streets Act or the Juvenile Justice and Delinquency Prevention Act and your agency is part of a criminal justice system, there are two additional obligations that may apply in connection with the awards: (1) complying with the regulation relating to Equal Employment Opportunity Programs (EEOs); and (2) submitting findings of discrimination to OCR. For additional information regarding the EEO requirement, see 28 CFR Part 42, subpart E, and for additional information regarding requirements when there is an adverse finding, see 28 C.F.R. §§ 42.204(c), .205(c)(5). Please submit information about any adverse finding to the OCR at the above address.

We at the OCR are available to help you and your organization meet the civil rights requirements that are associated with OJP and other DOJ grant funding. If you would like the OCR to assist you in fulfilling your organization's civil rights or nondiscrimination responsibilities as a recipient of federal financial assistance, please do not hesitate to let us know.

Sincerely,

AWARD DATE 09/18/2019

SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award. By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts all such assurances or certifications as if personally executed by the authorized recipient official.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period - - may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The U.S. Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2019 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2019 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2019 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2017, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2017, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

8. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

9. Employment eligibility verification for hiring under the award

1. The recipient (and any subrecipient at any tier) must--

A. Ensure that, as part of the hiring process for any position within the United States that is or will be funded (in whole or in part) with award funds, the recipient (or any subrecipient) properly verifies the employment eligibility of the individual who is being hired, consistent with the provisions of 8 U.S.C. 1324a(a)(1) and (2).

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both--

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) and (2) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1) and (2).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

For purposes of satisfying the requirement of this condition regarding verification of employment eligibility, the recipient (or any subrecipient) may choose to participate in, and use, E-Verify (www.e-verify.gov), provided an appropriate person authorized to act on behalf of the recipient (or subrecipient) uses E-Verify (and follows the proper E-Verify procedures, including in the event of a "Tentative Nonconfirmation" or a "Final Nonconfirmation") to confirm employment eligibility for each hiring for a position in the United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

E. Nothing in this condition, including in paragraph 4.B., shall be understood to relieve any recipient, any subrecipient at any tier, or any person or other entity, of any obligation otherwise imposed by law, including 8 U.S.C. 1324a(a)(1) and (2).

Questions about E-Verify should be directed to DHS. For more information about E-Verify visit the E-Verify website (<https://www.e-verify.gov/>) or email E-Verify at E-Verify@dhs.gov. E-Verify employer agents can email E-Verify at E-VerifyEmployerAgent@dhs.gov.

Questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

10. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

11. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/Explore/SubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

12. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$250,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$250,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$250,000)), and are incorporated by reference here.

13. Unreasonable restrictions on competition under the award; association with federal government

SCOPE. This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award, whether by the recipient or by any subrecipient at any tier, and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

1. No discrimination, in procurement transactions, against associates of the federal government

Consistent with the (DOJ) Part 200 Uniform Requirements -- including as set out at 2 C.F.R. 200.300 (requiring awards to be "manage[d] and administer[ed] in a manner so as to ensure that Federal funding is expended and associated programs are implemented in full accordance with U.S. statutory and public policy requirements") and 200.319(a) (generally requiring "[a]ll procurement transactions [to] be conducted in a manner providing full and open competition" and forbidding practices "restrictive of competition," such as "[p]lacing unreasonable requirements on firms in order for them to qualify to do business" and taking "[a]ny arbitrary action in the procurement process") -- no recipient (or subrecipient, at any tier) may (in any procurement transaction) discriminate against any person or entity on the basis of such person or entity's status as an "associate of the federal government" (or on the basis of such person or entity's status as a parent, affiliate, or subsidiary of such an associate), except as expressly set out in 2 C.F.R. 200.319(a) or as specifically authorized by USDOJ.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

15. Determination of suitability to interact with participating minors

SCOPE. This condition applies to this award if it is indicated -- in the application for the award (as approved by DOJ)(or in the application for any subaward, at any tier), the DOJ funding announcement (solicitation), or an associated federal statute -- that a purpose of some or all of the activities to be carried out under the award (whether by the recipient, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The recipient, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

19. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

20. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1, Part 38, under e-CFR "current" data.

SPECIAL CONDITIONS

24. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

25. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2019)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2019, are set out at <https://ojp.gov/funding/Explore/FY19AppropriationsRestrictions.htm>, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

26. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient and any subrecipients ("subgrantees") must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award -- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this award should be reported to the OIG by--(1) online submission accessible via the OIG webpage at <https://oig.justice.gov/hotline/contact-grants.htm> (select "Submit Report Online"); (2) mail directed to: Office of the Inspector General, U.S. Department of Justice, Investigations Division, 1425 New York Avenue, N.W. Suite 7100, Washington, DC 20530; and/or (3) by facsimile directed to the DOJ OIG Fraud Detection Office (Attn: Grantee Reporting) at (202) 616-9881 (fax).

27. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

a. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

2. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--

a. it represents that--

(1) it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

28. Compliance with 41 U.S.C. 4712 (including prohibitions on reprisal; notice to employees)

The recipient (and any subrecipient at any tier) must comply with, and is subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

The recipient also must inform its employees, in writing (and in the predominant native language of the workforce), of employee rights and remedies under 41 U.S.C. 4712.

Should a question arise as to the applicability of the provisions of 41 U.S.C. 4712 to this award, the recipient is to contact the DOJ awarding agency (OJP or OVW, as appropriate) for guidance.

29. Encouragement of policies to ban text messaging while driving

Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), DOJ encourages recipients and subrecipients ("subgrantees") to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this award, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.

30. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

SPECIAL CONDITIONS

31. Noninterference (within the funded "program or activity") with federal law enforcement: 8 U.S.C. 1373 and 1644; ongoing compliance

1. With respect to the "program or activity" funded in whole or part under this award (including any such program or activity of any subrecipient at any tier), throughout the period of performance, no State or local government entity, -agency, or -official may prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status as described in 8 U.S.C. 1373(a); or (2) a government entity or -agency from sending, requesting or receiving, maintaining, or exchanging information regarding immigration status as described in either 8 U.S.C. 1373(b) or 1644. Any prohibition (or restriction) that violates this condition is an "information-communication restriction" under this award.

2. The recipient's monitoring responsibilities include monitoring of subrecipient compliance with the requirements of this condition.

3. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the recipient, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

4. Rules of Construction

A. For purposes of this condition:

(1) "State" and "local government" include any agency or other entity thereof, but not any institution of higher education or any Indian tribe.

(2) A "public" institution of higher education is defined as one that is owned, controlled, or directly funded (in whole or in substantial part) by a State or local government. (Such a public institution is considered to be a "government entity," and its officials to be "government officials.")

(3) "Program or activity" means what it means under title VI of the Civil Rights Act of 1964 (see 42 U.S.C. 2000d-4a).

(4) "Immigration status" means what it means under 8 U.S.C. 1373 and 8 U.S.C. 1644; and terms that are defined in 8 U.S.C. 1101 mean what they mean under that section 1101, except that "State" also includes American Samoa.

(5) Pursuant to the provisions set out at (or referenced in) 8 U.S.C. 1551 note ("Abolition ... and Transfer of Functions"), references to the "Immigration and Naturalization Service" in 8 U.S.C. 1373 and 1644 are to be read as references to particular components of the Department of Homeland Security (DHS).

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

1. Throughout the period of performance, no State or local government entity, -agency, or -official may use funds under this award (including under any subaward, at any tier) to prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status as described in 8 U.S.C. 1373(a); or (2) a government entity or -agency from sending, requesting or receiving, maintaining, or exchanging information regarding immigration status as described in either 8 U.S.C. 1373(b) or 1644. SPECIAL CONDITIONS

33. Authority to obligate award funds contingent on noninterference (within the funded "program or activity") with federal law enforcement: 8 U.S.C. 1373 and 1644; unallowable costs; notification

1. If the recipient is a "State," a local government, or a "public" institution of higher education:

A. The recipient may not obligate award funds if, at the time of the obligation, the "program or activity" of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded in whole or in part with award funds is subject to any "information-communication restriction."

B. In addition, with respect to any project costs it incurs "at risk," the recipient may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the recipient (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that would be reimbursed in whole or in part with award funds was subject to any information-communication restriction.

C. Any drawdown of award funds by the recipient shall be considered, for all purposes, to be a material representation by the recipient to OJP that, as of the date the recipient requests the drawdown, the recipient and each subrecipient (regardless of tier) that is a State, local government, or public institution of higher education, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: 8 U.S.C. 1373 and 1644; ongoing compliance."

D. The recipient must promptly notify OJP (in writing) if the recipient, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the recipient, or of any subrecipient at any tier that is either a State or a local government or a public institution of higher education, may be subject to any information-communication restriction. In addition, any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

2. Any subaward (at any tier) to a subrecipient that is a State, a local government, or a public institution of higher education must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the recipient at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the recipient despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the recipient that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... 8 U.S.C. 1373 and 1644; ongoing compliance" award condition.

4. Rules of Construction

A. For purposes of this condition "information-communication restriction" has the meaning set out in the "Noninterference ... 8 U.S.C. 1373 and 1644; ongoing compliance" condition.

SCOPE. This condition applies as of the date the recipient accepts this award, and throughout the remainder of the period of performance for the award. Its provisions must be among those included in any subaward (at any tier).

1. No use of funds to interfere with statutory law enforcement access to correctional facilities

Consonant with federal law enforcement statutes and regulations -- including 8 U.S.C. 1357(a), under which certain federal officers and employees "have power without warrant ... to interrogate any alien or person believed to be an alien as to his right to be or to remain in the United States," and 8 C.F.R. 287.5(a), under which that power may be exercised "anywhere in or outside the United States" -- no State or local government entity, -agency, or -official may use funds under this award to interfere with the exercise of that power to interrogate "without warrant" (by agents of the United States acting under color of federal law) by impeding access to any State or local government (or government-contracted) correctional facility by such agents for the purpose of "interrogat[ing] any alien or person believed to be an alien as to his [or her] right to be or to remain in the United States."

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction.

The "Rules of Construction" set out in the "Noninterference (within the funded "program or activity") with federal law enforcement: Interrogation of certain aliens" award condition are incorporated by reference as though set forth here in full.

39. Noninterference (within the funded "program or activity") with federal law enforcement: Notice of scheduled release

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by the award, as of the date the recipient accepts the award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward at any tier.

1. Noninterference with "removal" process: Notice of scheduled release date and time

Consonant with federal law enforcement statutes -- including 8 U.S.C. 1231 (for an alien incarcerated by a State or local government, a 90-day "removal period" during which the federal government "shall" detain and then "shall" remove an alien from the U.S. "begins" no later than "the date the alien is released from ... confinement"; also, the federal government is expressly authorized to make payments to a "State or a political subdivision of the State ... with respect to the incarceration of [an] undocumented criminal alien"); 8 U.S.C. 1226 (the federal government "shall take into custody" certain criminal aliens "when the alien is released"); and 8 U.S.C. 1366 (requiring an annual DOJ report to Congress on "the number of illegal alien[felons] in Federal and State prisons" and programs underway "to ensure the prompt removal" from the U.S. of removable "criminal aliens") -- within the funded program or activity, no State or local government entity, -agency, or -official (including a government-contracted correctional facility) may interfere with the "removal" process by failing to provide -- as early as practicable (see para. 4.C. below) -- advance notice to DHS of the scheduled release date and time for a particular alien, if a State or local government (or government-contracted) correctional facility receives from DHS a formal written request pursuant to the INA that seeks such advance notice.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction

A. The "Rules of Construction" set out in the "Noninterference (within the funded "program or activity") with federal law enforcement: Interrogation of certain aliens" award condition are incorporated by reference as though set forth here in full.

B. Nothing in this condition shall be understood to authorize or require any recipient, any subrecipient at any tier, any State or local government, or any other entity or individual to maintain (or detain) any individual in custody beyond the date and time the individual otherwise would have been released.

- C. Applicability

(1) Current DHS practice is ordinarily to request advance notice of scheduled release "as early as practicable (at least 48 hours, if possible)." (See DHS Form I-247A (3/17)). If (e.g., in light of the date DHS made such request) the scheduled release date and time for an alien are such as not to allow for the advance notice that DHS has requested, it shall NOT be a violation of this condition to provide only as much advance notice as practicable.

(2) Current DHS practice is to use the same form for a second, distinct purpose -- to request that an individual be detained for up to 48 hours AFTER the scheduled release. This condition does NOT encompass such DHS requests for detention.

40. No use of funds to interfere with federal law enforcement: Notice of scheduled release

SCOPE. This condition applies as of the date the recipient accepts the award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward at any tier.

1. No use of funds to interfere with "removal" process: Notice of scheduled release date and time

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction.

The "Rules of Construction" set out in the "Noninterference (within the funded "program or activity") with federal law enforcement: Notice of scheduled release" award condition are incorporated by reference as though set forth here in full.

41. Requirement to collect certain information from subrecipients

Except as provided in this condition, the recipient may not make a subaward to a State, a local government, or a "public" institution of higher education, unless it first obtains from the proposed subrecipient responses to the questions identified in the program solicitation as "Information regarding Communication with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE)." All subrecipient responses must be collected and maintained by the recipient, consistent with document retention requirements, and must be made available to DOJ upon request. Responses to these questions are not required from subrecipients that are either a tribal government/organization, a nonprofit organization, or a private institution of higher education.

SPECIAL CONDITIONS

42. Cooperating with OJP Monitoring

The recipient agrees to cooperate with OJP monitoring of this award pursuant to OJP's guidelines, protocols, and procedures, and to cooperate with OJP (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) requests related to such monitoring, including requests related to desk reviews and/or site visits. The recipient agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP's monitoring activities may result in actions that affect the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to award funds; referral to the DOJ OIG for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

43. FFATA reporting: Subawards and executive compensation

The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$25,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

44. Required monitoring of subawards

The recipient must monitor subawards under this award in accordance with all applicable statutes, regulations, award conditions, and the DOJ Grants Financial Guide, and must include the applicable conditions of this award in any subaward. Among other things, the recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of award funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.

45. Use of program income

Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.

46. Justice Information Sharing

Information sharing projects funded under this award must comply with DOJ's Global Justice Information Sharing Initiative (Global) guidelines. The recipient (and any subrecipient at any tier) must conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: https://it.ojp.gov/gsp_grantcondition. The recipient (and any subrecipient at any tier) must document planned approaches to information sharing and describe compliance with the GSP and appropriate privacy policy that protects shared information, or provide detailed justification for why an alternative approach is recommended.

47. Avoidance of duplication of networks

To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the recipient can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

48. Compliance with 28 C.F.R. Part 23

With respect to any information technology system funded or supported by funds under this award, the recipient (and any subrecipient at any tier) must comply with 28 C.F.R. Part 23, Criminal Intelligence Systems Operating Policies, if OJP determines this regulation to be applicable. Should OJP determine 28 C.F.R. Part 23 to be applicable, OJP may, at its discretion, perform audits of the system, as per the regulation. Should any violation of 28 C.F.R. Part 23 occur, the recipient may be fined as per 34 U.S.C. 10231(c)-(d). The recipient may not satisfy such a fine with federal funds.

49. Protection of human research subjects

The recipient (and any subrecipient at any tier) must comply with the requirements of 28 C.F.R. Part 46 and all OJP policies and procedures regarding the protection of human research subjects, including obtainment of Institutional Review Board approval, if appropriate, and subject informed consent.

50. Confidentiality of data

The recipient (and any subrecipient at any tier) must comply with all confidentiality requirements of 34 U.S.C. 10231 and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. The recipient further agrees, as a condition of award approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, 28 C.F.R. 22.23.

51. Verification and updating of recipient contact information

The recipient must verify its Point of Contact(POC), Financial Point of Contact (FPOC), and Authorized Representative contact information in GMS, including telephone number and e-mail address. 52. Law enforcement task forces - required training

Within 120 days of award acceptance, each current member of a law enforcement task force funded with award funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, must complete required online (internet-based) task force training. Additionally, all future task force members must complete this training once during the period of performance for this award, or once every four years if multiple OJP awards include this requirement.

The required training is available free of charge online through the BJA-funded Center for Task Force Integrity and Leadership (www.ctfli.org). The training addresses task force effectiveness, as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. If award funds are used to support a task force, the recipient must compile and maintain a task force personnel roster, along with course completion certificates.

Additional information regarding the training is available through BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).

53. Justification of consultant rate

Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the OJP program office prior to obligation or expenditure of such funds.

54. Submission of eligible records relevant to the National Instant Background Check System

Consonant with federal statutes that pertain to firearms and background checks -- including 18 U.S.C. 922 and 34 U.S.C. ch. 409 -- if the recipient (or any subrecipient at any tier) uses this award to fund (in whole or in part) a specific project or program (such as a law enforcement, prosecution, or court program) that results in any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the National Instant Background Check System (NICS), or that has as one of its purposes the establishment or improvement of records systems that contain any court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS, the recipient (or subrecipient, if applicable) must ensure that all such court dispositions, information, or other records that are "eligible records" (under federal or State law) relevant to the NICS are promptly made available to the NICS or to the "State" repository/database that is electronically available to (and accessed by) the NICS, and -- when appropriate -- promptly must update, correct, modify, or remove such NICS-relevant "eligible records".

In the event of minor and transitory non-compliance, the recipient may submit evidence to demonstrate diligent monitoring of compliance with this condition (including subrecipient compliance). DOJ will give great weight to any such evidence in any express written determination regarding this condition.

55. Compliance with National Environmental Policy Act and related statutes

Upon request, the recipient (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA.

The recipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. The activities covered by this condition are:

a. New construction;

b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;

c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;

d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and

e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The recipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The recipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://bja.gov/Funding/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Condition to Recipient's Existing Programs or Activities: For any of the recipient's or its subrecipients' existing programs or activities that will be funded by these award funds, the recipient, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

56. Establishment of trust fund

If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish a trust fund account. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The trust fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The recipient also agrees to obligate the award funds in the trust fund (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.

SPECIAL CONDITIONS

57. Prohibition on use of award funds for match under BVP program

JAG funds may not be used as the 50% match for purposes of the DOJ Bulletproof Vest Partnership (BVP) program.

58. Certification of body armor "mandatory wear" policies

If recipient uses funds under this award to purchase body armor, the recipient must submit a signed certification that law enforcement agencies receiving body armor purchased with funds from this award have a written "mandatory wear" policy in effect. The recipient must keep signed certifications on file for any subrecipients planning to utilize funds from this award for ballistic-resistant and stab-resistant body armor purchases. This policy must be in place for at least all uniformed officers before any funds from this award may be used by an agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

59. Body armor - compliance with NIJ standards and other requirements

Ballistic-resistant and stab-resistant body armor purchased with JAG award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and is listed on the NIJ Compliant Body Armor Model List (<https://nij.gov/topics/technology/body-armor/Pages/compliant-ballistic-armor.aspx>). In addition, ballistic-resistant and stab-resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(c)(1)(A). The latest NIJ standard information can be found here: <https://nij.gov/topics/technology/body-armor/pages/safety-initiative.aspx>.

60. Body armor - impact on eligibility for other program funds

The recipient understands that the use of funds under this award for purchase of body armor may impact eligibility for funding under the Bulletproof Vest Partnership (BVP) program, a separate program operated by BJA, pursuant to the BVP statute at 34 USC 10531(c)(5).

61. Reporting requirements

The recipient must submit quarterly Federal Financial Reports (SF-425) and semi-annual performance reports through OJP's GMS (<https://grants.ojp.usdoj.gov>). Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, the recipient must provide data that measure the results of its work. The recipient must submit quarterly performance metrics reports through BJA's Performance Measurement Tool (PMT) website (www.bjaperformancetools.org). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.

62. Required data on law enforcement agency training

Any law enforcement agency receiving direct or sub-awarded funding from this JAG award must submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

63. Expenditures prohibited without waiver

No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.

64. Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after October 1, 2018

The recipient may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (October 1, 2018), however, the recipient may choose to incur project costs using non-federal funds, but any such project costs are incurred at the recipient's risk until, at a minimum-- (1) the recipient makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by OJP (via a Grant Adjustment Notice). (A withholding condition is a condition in the award document that precludes the recipient from obligating, expending, or drawing down all or a portion of the award funds until the condition is removed.)

Except to the extent (if any) that an award condition expressly precludes reimbursement of project costs incurred "at-risk," if and when the recipient makes a valid acceptance of this award and OJP removes each applicable withholding condition through a Grant Adjustment Notice, the recipient is authorized to obligate (federal) award funds to reimburse itself for project costs incurred "at-risk" earlier during the period of performance (such as project costs incurred prior to award acceptance or prior to removal of an applicable withholding condition), provided that those project costs otherwise are allowable costs under the award.

Nothing in this condition shall be understood to authorize the recipient (or any subrecipient at any tier) to use award funds to "supplant" State or local funds in violation of the recipient's certification (executed by the chief executive of the State or local government) that federal funds will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for law enforcement activities.

65. Use of funds for DNA testing; upload of DNA profiles

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS.

No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA.

Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS.

66. Encouragement of submission of "success stories"

BJA strongly encourages the recipient to submit annual (or more frequent) JAG success stories. To submit a success story, sign in to a My BJA account at [https:// www.bja.gov/ Login.aspx](https://www.bja.gov/Login.aspx) to access the Success Story Submission form. If the recipient does not yet have a My BJA account, please register at [https:// www.bja.gov/ profile.aspx](https://www.bja.gov/profile.aspx). Once registered, one of the available areas on the My BJA page will be "My Success Stories." Within this box, there is an option to add a Success Story. Once reviewed and approved by BJA, all success stories will appear on the BJA Success Story web page at [https:// www.bja.gov/ SuccessStoryList.aspx](https://www.bja.gov/SuccessStoryList.aspx).

Any request for an extension of the period of performance beyond a four-year award period will require approval, and the approval (if any) will be at the discretion of the Director of BJA.

Office of Justice Programs

Bureau of Justice Assistance

Washington, D.C. 20531

Memorandum To: Official Grant File

From: Orbin Terry, NEPA Coordinator

Subject: Incorporates NEPA Compliance in Further Developmental Stages for City of Paducah

The Edward Byrne Memorial Justice Assistance Grant Program (JAG) allows states and local governments to support a broad range of activities to prevent and control crime and to improve the criminal justice system, some of which could have environmental impacts. All recipients of JAG funding must assist BJA in complying with NEPA and other related federal environmental impact analyses requirements in the use of grant funds, whether the funds are used directly by the grantee or by a subgrantee or third party. Accordingly, prior to obligating funds for any of the specified activities, the grantee must first determine if any of the specified activities will be funded by the grant.

The specified activities requiring environmental analysis are:

- a. New construction;
- b. Any renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

Complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. Further, for programs relating to methamphetamine laboratory operations, the preparation of a detailed Mitigation Plan will be required. For more information about Mitigation Plan requirements, please see <https://www.bja.gov/Funding/nepa.html>.

Please be sure to carefully review the grant conditions on your award document, as it may contain more specific information about environmental compliance.

Short Title: 2020 Litter Abatement Program Grant Application and Acceptance - **R MURPHY**

Category: Municipal Order

Staff Work By: Ty Wilson

Presentation By: Rick Murphy

Background Information: The Kentucky Division of Waste Management (DMW) provides funds across the Commonwealth to local jurisdictions for litter abatement. The litter abatement award amount is based on a street mileage formula with Paducah having 223 miles of city streets. In 2019, DMW awarded the Engineering/Public Works Department \$14,097.31 for their Street Litter Abatement Program.

The City uses Litter Abatement funding for litter/trash pick-up along roadways and within the parks. This grant also funds street sweeping activities, personnel costs, and disposable costs.

Engineering/Public Works Department proposes to submit an application to KY Division of Waste Management for the 2020 Litter Abatement Award. The grant amount will be based on the formula using the total number of street miles within the City and the number of applicants this year. This award requires no local cash or in-kind match.

SMOLEN

Category: Municipal Order

Staff Work By: HR Staff, Peel & Holland

Presentation By: Peel & Holland

Background Information:

DJ Story of Peel and Holland recommends that the city continue with Anthem Blue Cross Blue Shield for the 2020 plan year, effective January 1, 2020 as the City's Third Party Administrator (TPA) to provide claims administrative services related to the City's health insurance plan. Remaining with Anthem offers the best overall option for quality of plans, administrative services and competitive rates and factors. A summary of Anthem's administrative fees, rates and factors is attached. In addition, since January 1, 2011 the City of Paducah has purchased stop loss insurance with Anthem to protect the City's health insurance plan in the event of a catastrophic claim(s). It is recommended, for the 2020 plan year beginning on January 1, 2020, the Commission adopt an agreement with Anthem to purchase stop loss insurance which is set at a \$175,000 maximum city liability per person (individual stop loss), Anthem assumes liability for all claims in excess of this amount, and \$3,053,726 maximum city liability of total claims combined (aggregate stop loss limit), Anthem assumes liability for all claims in excess of the aggregate total up to \$1,000,000. Premium rates are \$91.43 per member per month for individual stop loss insurance, in which is no increase from last year, and \$6.87 per member per month for aggregate stop loss insurance, which is a 3% increase from last year.

Assumptions and conditions

CITY OF PADUCAH

Effective January 1, 2020 through December 31, 2020

Administrative Services Only (ASO)

- The proposed services, rates and fees are effective from 1/1/2020 through 12/31/2020.
- This contract will be issued in KY.
 - This is an integrated medical and pharmacy offering.
- The proposal assumes 271 employees will be enrolling for medical coverage, with an average member to employee ratio of 2.17.
- The proposal assumes the same enrollment for medical and pharmacy.
- Anthem reserves the right to revise this proposal or modify these fees or rates under any of the following circumstances:
 - Due to any taxes, fees and assessments prescribed by any statutory, regulatory or other legal authority, that in Anthem's discretion, invalidates this quote.
 - Legislation or other matters that impact Anthem's costs or revenues under this proposal
 - Should the total enrollment or enrollment distribution by membership type, product or location change by 10% or more from that assumed when preparing the pricing for this package.
 - Actual Member to Subscriber ratio is not within +/-5% of 2.17.
 - A change to the plan benefits that result in substantial changes in the service or networks, as determined by Anthem.
 - Changes in proposal terms, conditions, services or product from this quotation.
 - Any of the plan benefits administered by Anthem are moved to another third party administrator or private exchanges.
 - Anthem is not the sole medical carrier.
- The final relationship between the Parties will be subject to and described in an Administrative Services Agreement and this agreement will be the binding agreement between the parties.
- Unless otherwise noted, fees are quoted on a per contract per month (PCPM) basis. PCPM is equivalent to, and will be described as per subscriber per month in the Administrative Services Agreement.
- Employers, as plan sponsors and administrators, are responsible for complying with all applicable laws.
- Eligibility data will be provided in Anthem's standard format. Additional charges may apply for non-standard formats.
- This quote assumes ACH withdraws from group's bank account for claims and fixed fees. Anthem's standard for claim billing is weekly with payment required within three business days from receipt of invoice.
- This quote assumes Anthem will accept fiduciary responsibility for claims administration and the handling of the claims complaint and appeals. To the extent ERISA applies, the employer remains the Named Fiduciary of the plan.
- Commissions and consultant fees are excluded unless otherwise noted.
- The processing of claims incurred prior to the effective date is the responsibility of the prior claims administrator.
- Since Anthem is neither a Hawaii authorized insurer nor a Hawaii Health Care Contractor, our benefits may not match the requirements of the Prepaid Health Care Act. We recommend that you obtain direct quotes for either an individual policy for employees who live and work in Hawaii or if there are several employees within an employer group to obtain group coverage from a Hawaii authorized insurer. This would ensure that all the state requirements are met.
- Specific Stop Loss maximum matches the lifetime maximum of the plan(s) unless specified otherwise.
- This Stop Loss proposal expires 30 days from the date of its release or on the effective date, whichever is sooner.
- Stop loss terms are illustrative only, subject to review and revisions based on receipt of all updated and/or additional information. We will require experience reports through 9/30/2019 in order to finalize and/or determine any potential laser(s).
- Specific Stop Loss claims above the selected Specific Stop Loss Limit will not count towards satisfaction of the aggregate attachment point.
- No change in benefits after the effective date by the group's employee benefit program shall be covered by the Stop Loss agreement nor shall any amounts paid as benefits resulting from such a change be counted towards the satisfaction of the attachment point. This limitation may be waived if a written acceptance of such a change is issued by the carrier.
- Only those coverage's quoted and which are eligible under the group's employee benefit program are eligible under this Stop Loss program.
- Stop Loss protection must be purchased in conjunction with our Administrative Services proposal.
- All expenses for services or supplies in excess of any limitation under the group's employee benefit program are excluded under the Stop Loss program.
- COBRA enrollees must not exceed 10% of total enrollees.
- Claims Run-Out coverage is applicable at the end of a full 12 month policy period only and cannot be applied against any Stop Loss policy that terminates prior to completion of the contract period.

Short Title: Amend Code of Ordinances Sections 54-51 & 54-52 related to Smoking in Public Places - **J ARNDT**

Category: Ordinance

Staff Work By: Lindsay Parish, James Arndt

Presentation By: James Arndt

Background Information: This ordinance amends Code of Ordinances sections 54-51 and 54-52 related to Smoking in Public Places. This ordinance is being brought to allow for a Cigar Bar or Cigar Lounge to operate within the City of Paducah. For a business to be considered as a Cigar Bar or Cigar Lounge under this amended ordinance, the business must:

- Clearly state in its name and marketing that it is a “cigar bar” or ”cigar lounge.”
- Derive at least ten percent (10%) of its gross revenue from the on-site sale of tobacco products (which does not include the sale of cigarettes, electronic smoking devices, or vaping liquids).
- Maintain an on-site walk-in humidor storing tobacco products for the intent of resale of tobacco products.

This ordinance would amend section 54-52 of the Code of Ordinances to allow a Cigar Bar or Cigar Lounge as an exception to the Smoking Ordinance. However, smoking in a Cigar Lounge or Cigar Bar would be limited only to cigars and pipe tobacco. No other types of smoking (such as cigarettes, e-cigarettes or vapor products, etc.) would be allowed in a Cigar Bar or Cigar Lounge.

AN ORDINANCE AMENDING CHAPTER 54, ARTICLE II “SMOKING IN PUBLIC PLACES,” DIVISION 2, “ENCLOSED PUBLIC PLACES, PLACES OF EMPLOYMENT, AND CERTAIN OUTDOOR PLACES” OF THE CODE OF ORDINANCES OF THE CITY OF PADUCAH, KENTUCKY

WHEREAS, the City Commission hereby finds that with the adoption of Chapter 54, Article II, it was the City Commission’s intent to allow Retail Tobacco Stores to allow smoking within such establishments; and

WHEREAS, the City Commission hereby finds that the Ordinance as set forth for the City of Paducah does not further the City Commission’s intent to allow for Retail Tobacco Stores to develop opportunities to create and develop cigar-themed Bars within the City of Paducah; and

WHEREAS, as a result of the foregoing, the City Commission hereby declares that it is in furtherance of the intent of the City Commission to amend Chapter 54, Article II of the Paducah Code of Ordinances to allow for cigar bars or cigar lounges.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF PADUCAH AS FOLLOWS:

Section 1. That Chapter 54, Section 51, “Definitions” is hereby amended as follows:

(5) *Electronic smoking device* means any product containing or delivering nicotine or any other substance intended for human consumption that can be used by a person in any manner for the purpose of inhaling vapor or aerosol from the product. The term includes any such device, whether manufactured, distributed, marketed or sold as an e-cigarette, e-cigar, e-pipe, e-hookah, or vape pen, or under any other product name or descriptor. This term shall also include liquid nicotine or any other liquid, vapor, or aerosol manufactured for use with such devices.

Section 2. Further, that Chapter 54, Section 51, “Definitions” is hereby amended as follows:

(15) *Retail Tobacco Store* means a retail store devoted primarily to the sale of any tobacco product, including, but not limited to cigarettes, cigars, pipe tobacco and chewing tobacco, and accessories in which the sale of other products is merely incidental. The sale of such other products shall be considered incidental if such sales generate less than one-third (1/3) of the total annual gross sales. Notwithstanding anything to the contrary stated herein, the term “Retail Tobacco Store” shall also include a “cigar bar” or “cigar lounge”. A “cigar bar” or “cigar lounge” is any Bar that is cigar-themed and focused, as evidenced by the following: (1) clearly states in its name and marketing that it is a “cigar bar” or “cigar lounge,” (2) derives at least ten percent (10%) of its gross revenue from the on-site sale of tobacco products, which products shall not include the sale

of cigarettes, electronic smoking devices, or vaping liquids, and (3) maintains an on-site walk-in humidor storing tobacco products for the intent of resale of tobacco products. A “cigar bar” or “cigar lounge” shall not include any establishment which is primarily a Bar or Restaurant, as herein defined, and which undertakes the retail offering of tobacco products as a means to circumvent the purposes of this ordinance. If an establishment meets the requirements for designation as a “cigar bar” or “cigar lounge” as stated herein, the fact that such establishment generates more than one-third of total gross annual sales from the sale of alcohol shall not disqualify it as such.

Section 3. That Chapter 54, Section 52, is hereby amended as follows:

(a) No person shall smoke within any building or enclosed public place except in one (1) of the following locations:

(1) In any dwelling, unless the dwelling is also used as a childcare facility, adult day care center, assisted living facility, hotel/motel guest room, or health care facility.

(2) In a private vehicle.

(3) In a retail tobacco store-, except that, in places meeting the definition of “cigar bar” or “cigar lounge,” smoking shall be limited only to cigars and pipe tobacco and smoking of all other tobacco products shall be prohibited.

(4) Smoking areas provided in state or Federal governmental office buildings or workplaces pursuant to KRS 61.165.

(5) In all enclosed places owned and occupied by private organizations or clubs.

(b) Smoking shall be prohibited in all places of employment, except as otherwise expressly provided in section 54.52 A above.

(c) Smoking shall be prohibited in all private and semiprivate rooms in all health care facilities, nursing homes, assisted living facilities, and hotel and motel guest rooms.

(d) Nothing in this division shall prevent a person in control of any place whatsoever from prohibiting smoking completely in such place, and no person shall fail to abide by such a private prohibition.

(e) Nothing in this division shall authorize smoking in any place where it is otherwise prohibited by statute, ordinance, regulation, or by order of the Fire Marshall.

Section 4. Severability.

If any section or portion of this ordinance is for any reason held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, that section or portion shall be deemed severable and shall not affect the validity of the remaining sections of the ordinance.

Section 5. Effective Date.

This ordinance shall be read on two separate days and shall become effective upon summary publication in accordance with KRS Chapter 424.
